Important Notice in respect of client categorisation and the resulting Loss of Protections

In order to be able to invest in OT(S)EIS, OTM will need to be able to categorise you as a 'self-certified sophisticated investor' or a 'high-net-worth investor'. This will result in you losing the protections afforded to "retail investors".

In order to invest you are certifying that you understand and accept the following points:

- 1. That investments in start-up and early-stage technology companies are very high-risk investments.*
- 2. That if an investment in a start-up or early-stage technology company fails, the likely outcome is the total loss of the investment.*
- 3. That an investment in OT(S)EIS is illiquid. Once your investment is made you cannot access your investment funds until there are exits.*
- 4. That an investment in OT(S)EIS is a long-term investment. Exits, which cannot be guaranteed, are expected to occur within a 5–10-year timescale.*
- 5. That you are not investing money which you cannot afford to lose, or money on which you depend for your living.*
- 6. That by opting to be categorised as a 'high-net-worth investor' or 'self-certified sophisticated investor' you lose the protections which are available to 'retail investors.'*

The Information Memorandum relating to the Oxford Technology (S)EIS Fund describes arrangements for the appointment of Oxford Technology Management Limited (“**OTM**” or the “**Manager**”) of The Henley Building, Newtown Rd, Henley-on-Thames RG9 1HG, as a discretionary investment fund manager to act on behalf of Investors who wish to make venture capital investments in SEIS and EIS Qualifying Companies and to manage those investments in common on behalf of all such Investors. These arrangements together constitute the **OXFORD TECHNOLOGY (S)EIS FUND - OT(S)EIS** (the “**Fund**”). OTM is authorised to act as an Investment manager by the UK Financial Conduct Authority (“**FCA**”) and their FCA registration number is 121929.

As venture capital investments can be higher risk, OTM only acts for individuals who, in accordance with FCA rules, can be assessed as understanding the risks of investing in the Fund. These are set out in section Risk Factors on page 8 of the Information Memorandum. Therefore, participation in the Fund is restricted to those categorised as high net worth individuals or self-certified sophisticated investors.

This means that OTM will owe you an obligation to ensure that the venture capital investments which they make comply with the investment policy and parameters set out in the Information Memorandum but not that they are suitable for your particular financial circumstances and portfolio; an obligation that would need to be discharged if OTM were to classify you as under FCA rules as a ‘retail client’. This would require you to disclose to OTM personal details about your income, expenses, liquidity and assets. There are some additional differences between these two FCA classifications. They are set out below.

Please note that the fact that an adviser will treat you as a ‘retail client’ under FCA rules for the purposes of his client relationship with you, does not prevent that adviser from carrying out an assessment that you have the experience, expertise and knowledge required to understand the risks of investing in the Fund and of being categorised as a high-net-worth investor or self-certified sophisticated investor for the purpose of your relationship with OTM.

You can be categorised as a Self-Certified Sophisticated Investor or High-Net-Worth Investor if you have completed the forms on pages 11-14.

Once you have been classified as a high-net-worth investor or self-certified sophisticated investor, you will lose the protections applicable exclusively to retail clients under the FCA rules. Certain FCA rules will automatically be limited or modified in their application to you. Certain FCA rules will be capable of modification in their application to you in relation to any business carried out by OTM under the terms of the Information Memorandum.

The following protections will not apply to you as an Investor in the Fund:

- (i) The Manager will not be obliged to warn you of the nature of any risks involved in any potential investments in the Fund. The Key Risks of investing in the Fund are set out on page 8 of the Information Memorandum.
- (ii) The Manager will not be obliged to disclose the basis or amount of its charges for any services the Manager provides to you or on your behalf or the amount of any other income that the Manager may receive from third parties in connection with such services. The basis and amount of the Manager's charges are set out in Fees section on page 6 of the Information Memorandum.
- (iii) The Manager will not be obliged to set out any of the prescribed contents, disclosures or risk warnings needed for retail customers in prospectuses, marketing brochures and other non-real time financial promotions material, nor will the Manager be subject to the restrictions that apply to a retail client in relation to unsolicited real-time communications.
- (iv) The Manager will not be required to give you the warnings required for retail clients in relation to material which may lead you to deal with or use overseas firms which are not regulated by the Financial Services and Markets Act 2000 nor will the Manager have to satisfy itself that the overseas firm will deal with you in an honest and reliable way.
- (v) The Manager will also not be required to comply with the FCA rules relating to restrictions on and the content of direct offer advertisements.

The following rules will be limited or modified in their application to you as a self-certified sophisticated investor or high-net-worth investor and an investor in the Fund.

- (i) The majority of the FCA rules in relation to the form and content of financial promotions will not be applicable in respect of any financial promotion communicated or approved by the Manager.
- (ii) The Manager will not be required by the FCA to provide you with a periodic statement on the value and composition of your Portfolio in the Fund where you have requested the Manager not to do so or where the Manager has taken reasonable steps to establish that you do not want it. We would however draw your attention to clause 8 of the Investment Management Agreement in the Information Memorandum pursuant to which, in particular you will be provided with a report every three months which will give details of all your investments, including the cost and valuation of each and the method of valuation.
- (iii) The Manager will comply with FCA conduct of business rule 11.2 and, to the extent applicable, take all reasonable steps to obtain, when making Investments, the best possible result for you taking into account the following execution factors: price, costs, speed, likelihood of execution and settlement, size, nature or any other consideration relevant to making investments. In doing this, the Manager will take into account the following criteria for determining the relative

importance of these execution factors: your categorisation as a high net worth individual or self-certified sophisticated investor (rather than as a retail client); the characteristics and investment objectives of the Fund as described in the Information Memorandum and the rules of the SEIS and EIS and the normal commercial practice of the counterparties and strategic partners with which the Investee Companies will do business. In particular, factors such as the suitability, expertise and market position of counterparties and strategic partners may be more important than price in obtaining the best possible execution result in the context of achieving the investment objective.

If you are reclassified as a retail client, the Manager shall be entitled to terminate the Investor Agreement pursuant to Clause 15.

If you have a complaint regarding the services provided under the Investor Agreement, you may raise the complaint with your independent financial adviser or directly with the Manager by writing to the address shown in the Information Memorandum and the Manager shall endeavour to resolve the complaint speedily and efficiently and will reply to you in writing. As a Self-Certified Sophisticated Investor or High-Net-Worth Investor client you may lose the right to access the financial ombudsman service.

The Manager may have regard to your expertise when complying with the requirements under the regulatory system that communications must be clear, fair and not misleading.

Under FCA rules you are responsible for keeping the Manager informed of any change, which may affect your categorisation as a High-Net-Worth Investor or Self-Certified Sophisticated Investor client.
